

KSM Scholarship Awardee: Stephen Dykes

My name is Stephen Dykes, I'm a sophomore in college at Miracosta College and Palomar. I am majoring in Sociology with an emphasis on Justice Studies and Mass Incarceration. My life revolves around school, work, and my volunteer work.

I am a student peer mentor at Miracosta College. I am a manager of a sober living for men called Lifehouse Recovery Connection here in Vista California. That's is part of my volunteer work. I also volunteer at a couple men's rehabilitation centers and help with donations of clothes and shoes for the new gentleman in recovery. I am also a man in recovery.

My life is full but the benefits are so rewarding. Thanks again for this opportunity and I appreciate all that you guys do.
